Dear Bill,

Your earlier letter regarding a tour abroad has been considered, and the position is that occasionally as a firm we have been able to send articled clerks overseas, but this has usually happened when an articled clerk has come from a place like Nairobi and the local office can take him back for six months.

There is always, however, a possibility that an emergency call from an overseas firm for help could arise. This happened last year in Bermuda, so it is not entirely remote. The best I can say is that your name is going to be borne in mind should such a situation arise.

Yours sincerely,

A. E. Hain

Dear Bill,

Thank you for your letter of 30th May.

I confirm that we will expect you full time on Wednesday, 15th July. It turns out that there is a course for articled clerks who have just finished a nine months course in Birmingham on Monday and Tuesday, 29th and 30th June. I enclose an office circular concerning this course, which I hope you will be able to attend - your travelling expenses will of course be paid from this office.

Please telephone and confirm to me that you will be attending the course.

Yours sincerely,

P. F. Hayman

Dear Mr. Fairclough,

We now attach blank forms of articles and we should be pleased if you would complete as marked. You should ask your father to countersign the application as covenantor.

You presumably have applied to the Institute for your preliminary certificate which is obtainable by making the application and forwarding the certificates of your 'A' level passes.

If this has not been done, then we suggest that you write to the Institute straightaway and when you have obtained the certificate, forward it to us at which stage we are able to sign the articles here for registration with the Institute.

Yours truly,

Cooper Brothers & Co.

Dear Sir,

Thank you for your letter of 4th September requesting articles with this firm.

Our new articulated clerks are normally recruited in May or June of each year in order to start with us in September. Except in exceptional circumstances, it is not possible for us to take articulated clerks at any other time since the firm's training programme is scheduled around this date.

It will, therefore, not be possible for you to be articulated to us this year. However, we will be pleased to discuss with you the possibility of your entering into articles in September 1970, and we enclose a booklet describing articles with us.

Should you wish to discuss the matter, please telephone this office to make an appointment with our resident manager, Mr. P.F. Hargreaves

Yours truly,
